

Dear Parents & Carers,

Welcome to our last edition of South Creek Connect for Term 1! We hope you all had a lovely extra-long weekend with your families over Easter. As you know, our fortnightly school newsletter is easily accessible on the South Creek School website and on our South Creek School Facebook page. In Term 2, we will continue to send home paper copies of the newsletter via student communication books on even Fridays. In addition to the above methods, we will also have the newsletter available on School Bytes. However, from Term 3, the newsletter will only be available electronically and there will be no paper copies sent home. This will save the office staff a great deal of time as well as saving the school money and both can then be used to support teaching and learning for students.

AUTISM AWARENESS DAY

April 2, 2024

Easter Hat Parade

Our Easter Hat Parade was a huge hit with students at South Creek School! Classes enjoyed parading in their blocks and participated in an egg and spoon race.

ASTP Program

Please be advised that if your child has been approved to access the Assisted School Transport Program (ASTP) and you are not utilising the program, it may be withdrawn. To be approved to access ASTP, you must prove that you are unable to provide transport for your child. In cases where families are then providing transport regularly for their child, it may be determined that you do not need the ASTP program and it will be withdrawn.

**UPCOMING
EVENTS**

- Last day of Term 1 12th April
- First day of Term 2 30th April

Autism Awareness Day

Last Wednesday was Autism Awareness Day and staff and students enjoyed wearing blue to promote awareness and understanding of those with Autism.

OFFICE HOURS

School office hours are 8.30 – 3.15pm.
Please note that the phones will be turned off outside of these times.

Spotlight

Emma

Naomi

I am the Classroom Teacher for Lime Class

- I have a Bachelor of Social Science majoring in Early Childhood as well as a Master of Teaching (Birth-12 years)

EXCELLENCE IN ABORIGINAL EDUCATION

Badu

The Darug word for water is “Badu”. Water is a sacred source of life to Aboriginal people. On Darug land we have a rich tapestry of waterways that connect the Nepean and Hawkesbury River. Waterways are central to spirituality, culture, economy and wellbeing.

SIGNING

We have 3 new signs to learn and practice together at home.

Carrie-Ann has shared 3 videos, the first teaches us the sign for - 'I'.

The second video teaches us the sign for - 'In', and last video teaches us the sign for - 'Stop'.

NAVY CLASS

Students from Navy Class participated in the World Autism Awareness Day that was held at South Creek School on Tuesday 2nd April 2024. We aim to create understanding, acceptance and celebrate life on the Autism Spectrum. Students wore blue clothing or accessories. They participated in activities including sensory play, expressing colours through puzzle art, and the use of Board Maker visuals for communication.
